### **First Class Representative meeting organized by Electronics & Telecommunication department on 15<sup>th</sup> July 2016**

Class Representatives are the first point of contact for students with problems. They can take class issues to the staff for resolution and can act as a liaison between their class and the Department. They provide an important link between students and the staff in a Department. Such type of meeting is a thought of process that can make teaching learning more enjoyable. First Class Representative meeting was held on 15 July 2016 at 4:00 P.M, chaired by Head of Department Dr. M. M. Khanapurkar along with CR meeting in charge Ms. M.M.Ingle. CRs from III, V & VII were present to put forward the issues and concerns related with smooth conduction of regular classes like insufficient number of stationary/text books in library. VII semester students also had the issues of invalid question/answers for CRT. The meeting was finished with Discussion about the difficulties and problems for smooth conduction of classes so that it can be resolved till next meeting.
