Skilled Workshops Conducted in session 2017-18

Dept.	Semester					
	3	4	5	6	7	8
ETRX	One day Workshop on ALTERA DE2 BOARD and Verilog Programming	Python Programming		Python Programming		
		IOT (Ardino)		IOT (Ardino)		
		JAVA		JAVA		
ETC	Two Days Workshop on Embedded System using Arduino under IETE-ISF	Python Programming	Two Days Workshop on Embedded System using Arduino under IETE-ISF	Python Programming	Two Days Workshop on Embedded System using Arduino under IETE-ISF	
	One day Workshop on Application of WSN for Environmental Monitoring in Developing Countries	Arduino	One day Workshop on Application of WSN for Environmental Monitoring in Developing Countries		One day Workshop on Application of WSN for Environmental Monitoring in Developing Countries	
	Workshop on "Proteus Tool for PCB Designing"	JAVA	Workshop on "Proteus Tool for PCB Designing"		Workshop on "Proteus Tool for PCB Designing"	
CSE		Data Analysis		Data Analysis		
		Word Press		Word Press		
		Arduino Programming				
		Intel AI Academy - Machine Learning , Bigdata & Data Science		Intel AI Academy - Machine Learning , Bigdata & Data Science		

Dept.	Semester					
	3	4	5	6	7	8
IT		Aritificial Intelligence (Industry Experts)		Aritificial Intelligence (Industry Experts)		
		Animation (Industry Experts)		Animation (Industry Experts)		
		Data Analytics		iOS (Adjunct faculty)		
				Data Analytics		
CIVIL		Estimating & Costing		Environmental Audit		
		Advanced Surveying by Total Station		Complete Process of Construction of Industry		
		Complete Process of Construction of Industry				
EE	Basic of Testing & Designing of Electrical Devices	IOTandAurdino		IOT and Aurdino	IOT, Solar PV system , Energy audit	IOT and Aurdino
	AUTOCAD (Electrical)	Solar PV SYSTEM		Solar PV SYSTEM	Estimating And Costing	Solar PV SYSTEM
		Energy Audit		Energy Audit		Energy Audit
						Estimation and costing
ME		4 Day Workshop on Automobile Engineering		Two day workshop on Refrigeration & Air conditioning		
				2 Days Workshop on Quality Concepts
