March 2013

Three Faculties From GHRCE Attended Training for Master Trainers on Outcome Base Accreditation Process & Parameters

Dr. D.J. Tidke, Dr. S.B. Jaju, Dr. Latesh Malik attended three days training for Master trainers on Outcome Based Accreditation Process & Parameters from 15 to 17 March 2013 at *SVKM's Narsee Monjee Institute of Management Studies [NMIMS], Shirpur organized by NBA*. They explain the features of New Out Come Based Accreditation Process & Parameters to the Master Trainer's who is turn trains the members of the expert teams before they undertake actual accreditation visit.

Embedded System & Computing Student awarded best presentation at Indonesia

Sachin D.Kohale , Post Graduate final year student of Embedded System and Computing(ESC) under the guidance of Ms.Ratnaprabha W.Jastutkar madam have attended 2nd International Conference on Electronics , Nanomaterial and Component, 2013(ICENC 2013) held at Bali, Indonesia on 16-17 March 2013.**Prof. Dr. Haider F. Abdul Amir** , UNIVERSITI MALAYSIA SABAH, SCHOOL OF SCIENCE AND TECHNOLOGY,MALAYSIA and **Murthy Rallapalli**, IBM / Stevens Institute of Technology, USA were the keynote speakers of this conference. He has been awarded Best Presentation. The award has been received from **Prof. Dr. Haider F. Abdul Amir(Shown in Photo attached)**.

Two Faculties of CSE Presented Ph.D. work in Research Academy for Women Candidates

Prof. S.U.Nimbhorkar & Prof. S.M.Nirkhi, assistant professor of computer science & engineering has attended and presented Ph.D work in Research Academy for Women Candidates pursuing PhD in Computer Science fields in Engineering Education Institutions in association Indo US Collaboration for Engineering Education (IUCEE) atCR Rao Advanced Institute for Mathematics, Statistics and Computer Science (AIMSCS),hyderabd (A.P)On March 18, 19, 20;2013.Sponsored by Department of Science and Technology (DST), Government of India.

The Various Indian & US Experts professors were **Dr. R..K. Shyamasundar**,Sr. Professor and JC Bose National Fellow, Tata Institute of Fundamental Research Mumbai, India, **Dr. C.E.Veni Madhavan**,Professor, Department of computer Science and Automation, Indian Institute of Science, Bangalore, India,**Dr. Teresa A. Dahlberg**,Associate Dean, College of Computing and Informatics Professor of Computer Science,Director, Diversity in Information Technology Institute, North Carolina, USA,**Dr. Jeanna N. Matthews** Associate Professor of Computer Science,Clarkson University, Potsdam, New York, USA, **Dr. Ramki Thurimella**, Professor and Chair of the Computer Science Department, University of Denver, Denver, Colorado, USA, **Dr. Gaurav Sharma**, Associate Professor, Dept of Electrical and Computer Engineering Associate Professor, ,University of Rochester, Rochester, NY, USA

CSI 2012- 2013 Student Chapter Inauguration

The Inauguration Of Student Branch Chapter on 6 March 2013 ,began with lightening of lamp .The inaugural function followed by a Technical Seminar on “Hacking Software’s and Dot.net”.

President Student UG: Mr Ashish Handa
