

PHOENIX Nov-Dec 2015

Department of Computer Science & Engineering organized 10-days Workshop on “Android “ by Zensar Technology.

Android workshop was scheduled from 24 December 2015 to 3 January 2016 in Computer Science and Engineering Department. This was ten days training program including theory and practical sessions and majorly focused on App development. Total 100 students beneficiary of this training program of various UG and PG departments like Computer Science and Engineering, Information Technology, Electronics, Electronics and Telecommunications and Mobile Technology. Overall coordinator of the workshop was Prof. Mangala Madankar Computer Science and Engineering Department.

**First International Conference on Information Security & Privacy 2015 (ICISP 2015)
Published by Elsevier Procedia CS Organized by G.H.R.C.E. , Nagpur**

Department of Computer Science Engineering and Information Technology , G.H. Raisoni College of Engineering has organized First International Conference on Information Security & Privacy 2015. ICISP 2015 proceedings will be published by Elsevier Procedia CS and technically Co-sponsored by Computer Society of India, ACM professional Chapter Nagpur and GHR Labs & Research Center Nagpur.

The ICISP 2015 will be larger in technical content and would be a unique opportunity for all Computer Science & Engineering research community who are specializing in these areas like Information Security and Privacy to come together and publish their research work.

Key note speakers were **Suchita Sakalkale**, ,Lead Business Systems Analyst/Scrum Master,Thomson Reuters, US Dallas and **Dr. Chitra Desai**, ,Professor, National Defense Academy, Pune, They have given talk on computer and cyber security.

292 papers submitted by 553 authors ,out of which we accepted 155, 119 papers are scheduled for presentation . Acceptance rate is .53 after 521 reviews conducted by 115 program committee members.

Every paper is reviewed by 2 or more reviewers and checked with three plagiarism tool Small SEO, Viper and Ithenticate. Only papers who have qualified all four criteria got acceptance.

We received good quality of research papers from various institutes like Dr. D.Y.Patil Institute, Indian School of Mines, Dhanbad, KJ College of Engg. & Managment Research,Pune, Sardar Patel Institute of Technology, Maharashtra Institute of Engineering, Pune, Amity University, NIT Kurukshetra, India, , IET, DAVV, Indore, National Institute of Technology, Raipur, R.C.P.I.T.Shirpur, VIT University, Vellore, NITTTR, AMRITA Vishwa Vidya Peetham, SASTRA University, Central University of Rajasthan, GGSIPU, Guru Nanak Dev University, Amritsar, IIT(BHU), Varanasi, NMAMIT, Nitte,Karnatak, Manipal University Jaipur, Jain University, MITCOE, K J Somaiya College of Engineering, Mukesh Patel School of Technology & Management.Shirpur (M.S.),YCCE, RKNEC, GHRCE etc.

In this conference out of 119 registrations: 56 registrations are from UG/PG students, 45 from Ph.D and 17 are from faculty category. This conference was aimed to publish good quality research work of PG and Ph.D. in Elsevier Procedia CS.

81 papers were presented at GHRCE and 17 presentations were given on Skype.

Hon Chair was Dr. Preeti Bajaj, Director,GHRCE, **General Chair** Dr. Latesh Malik, Ms.Nekita Chavan, **Elsevier Guest Editor** were Dr Vishal Bhatnagar, Ambedkar Institute of Technology, Delhi, Dr Jibi Abraim,COE,Pune Faculties and non teaching of CSE and IT department worked very hard to make this conference successful

Workshop on IoT and Container Security

Along with ICISP-2015, Department of Computer Science Engineering and Information Technology have organized workshop on IoT security and Container Security by VM Ware Bangalore on 11-12 Dec 2015. Trainers were Shwetha Lakman Rao, Vartika Agrawal and V. Kohli. Various topics covered were Docker Security Benchmark Hands on Lab session, VMware appcatalyst, Photon, Project Bonneville, IoT and Security, IoT Helix Demo etc. 79 Students attended this workshop and benefitted. Coordinators of this workshop was Apeksha Sakhare, Archana Raut, Umesh Sakhare and Nisha Raote. Team worked very hard to make this workshop successful.

Ph.D. Pre-submission seminar (Open Defense)

Ph.D. Pre-submission seminar (Open Defense) of the Ms. Dipti Ajmire, Mr. Shrikant Sonekar, Ms. Geeta Tripathi, Ms. Vijaya Balpande , Ph.D. scholars of Computer science and Engineering department has been organized by R&D Cell and Computer Science and Engineering department on the 22 December 2015. Honorable Director Dr. Preeti Bajaj, R&D Dean Dr. U. S. Wankhade, Associates R&D Dean Dr. Shubhangi Giripunje, Head of department Dr. Latesh Malik and the R&D Coordinator Prof. Snehlata S. Dongre and Expert were present on that occasion. The renowned Expert Dr. Swagatam Das, Assistant Professor at the Electronics and Communication Science Unit of Indian Statistical Institute, Kolkota, India has invited for valuation. Dr. Swagatam Das has given his valuable suggestions to candidates about the Ph.D. work. PhD. Scholars, MTech III Semester students and Faculties of Computer Science and engineering Department have attended the seminar.
