

PHOENIX February, 2016

GUEST LECTURE ON SYSTEM PROGRAMMING BY DR.S.A.RAUT, VNIT, NAGPUR

Guest lecture on system programming was delivered by Dr. S. A. Raut, VNIT, Nagpur. The guest lecture was organized for students of UG IV B, CSE, on 1st Feb 2016. Dr. S. A. Raut is working as assistant professor at VNIT, Nagpur .The lecture started with basics of system programming and covered the topics like assembler, macro and loaders. Students are benefitted from this guest lecture as the topics covered were useful for the students and helped them clearing their concepts. The guest lecture was organized by Ms. Sofia K. Pillai.

GHRCE -Department of Computer Science & Engineering Organized Guest Lecture on RTOS scheduling algorithm by Dr.U.A.Deshpande Professor VNIT Nagpur, dated 02nd Feb 2016 for the Second Semester students, Embedded System and Computing.

Resource person Dr.U.A.Deshpande explained the scheduling algorithm, EDF strategy, Cyclic scheduling strategy For Real Time Operating System; Students learn basics of scheduling as well as problems on scheduling algorithm. For the guest lecture 17 students of Embedded system and computing along with Subject Teacher Mr.S.P.Gawate, Prof Swapnili Karemore were present.

**GUEST LECTURE ON LANGUAGE PROCESSOR BY DR. AVINASH AGRAWAL,
ASSOCIATE PROFESSOR, SROEM, NAGPUR**

Department of Computer Science Engineering organized a Guest Lecture of Dr. Avinash Agrawal, Associate Professor, Ramdeobaba College of Engineering & Management, Nagpur on Language Processor for VI Sem UG-CSE students on 5/2/2016, under the TEQIP II. Sir delivered two hour lecture on "Syntax Directed Translation". These topics are helpful in understanding basic concept of Subject. After that group discussion was took place in which all doubt and queries of students was solved. The whole activity was conducted by Prof. Mangala S. Madankar, Assistant Professor, and Computer Science & Engineering Department.

GUEST LECTURE ON OBJECT ORIENTED PROGRAMMING BY MR SAILESH AATRAM

Computer Science & Engineering Department of G.H .Raisoni College of Engineering, Nagpur had organized Expert Lecture on the topic “Object Oriented Programming” on 9th Feb 2016.The guest speaker was eminent personality Mr Sailesh Aatram Persistent System Pvt.Ltd,Nagpur..

Mr.Sailesh Aatram covered all the important topics like; Object Programming Concepts,Classes and Objects,Inheritance,Operator Overloading,Application Development using Object Oriented Programming. etc. His valuable experience in the particular subject was very helpful to understand this subject to the student and. He had wonderful interaction with the students and given valuable guidelines to them about recent advancement in object oriented programming languages.

**GUEST LECTURE ON DATA COMMUNICATION BY Mr. Shailendra S. Aote,
RCOEM, Nagpur**

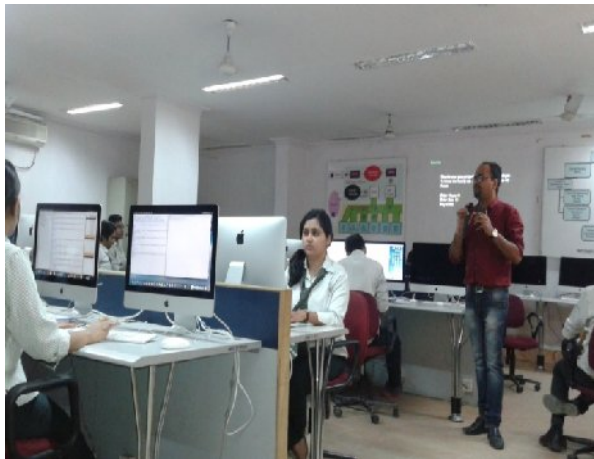

Guest lecture on system programming was delivered by Mr. Shailendra S. Aote, assistant professor, department of CSE, RCOEM, Nagpur. The guest lecture was organized for students of UG IV C, CSE, on 9th Feb 2016. The lecture started with basics of Data compression and covered the techniques like Huffman coding. Students are benefitted from this guest lecture as the topics covered were useful for the students and helped them clear their concepts. The guest lecture was organized by Ms V A Gulhane.

Department of Computer Science and Engineering organized one day work shop for IV semester student on Python” on 08 Feb 2016

Resource person for the workshop was Mr Atul Ghumde (Director, Geek Infotec) .Topics covered in workshop was Introduction of Python, Conditional Statements, Looping, Control statements, String Manipulation ,Lists ,Tuple, Dictionaries,Functions,Modules,Input-Output.Eighty three students of fourth semester along with workshop coordinator Sachin Gawate attended the open source python workshop.

Students Explore Knowledge through online Practical Session

**Experts Mr. Atul Ghumde Delivering a Session
Industrial Visit Organized by Computer Science & Engineering Department,
GHRCE, Nagpur at Persistent System Pvt. Ltd Nagpur**

Computer Science Engineering Department of G. H. Raisoni College of Engineering has organized Industrial Visit for IVth Semester Sec C CSE students on 26 FEB 2016 at Persistent System Pvt. Ltd. Nagpur. Total 52 students with two faculty members Prof.G R Talmale & Prof.Gaurav Kawade from CSE department have attended the Industrial Visit. Persistent System Pvt Ltd. Nagpur. *Persistent Systems* is a global company specializing in software product and technology services. They mainly work on *Cloud Computing* and Software development . Persistent engineer has given knowledge about Cloud computing . The main aim of this visit is to provide students a glimpse of the actual work situation and to understand the industry environment and to gain some work experience.

Prof. P. N. Borkar from Computer Science & Engineering Department attended one week UKIERI AICTE Leadership Development Programme

Prof. Prashant Borkar from Computer Science & Engineering Department has attended one week residential programme on UKIERI AICTE Leadership Development Programme for Technical Institutes under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) during 22-27 Feb 2016 at Hotel Grand, New Delhi. There were several session on leadership development like Setting Expectations and understanding Leadership and Management, Strategic Planning Process, Internal Quality and Systems & Processes, Resource management and Interpersonal skills for Leaders and Managers. Prof. Andrew and Prof. Nick from City and Islington College London were the facilitators for this workshop.
