

## RoboRelay Race Competition Organized by Robotics Club of GHRCE “ROBOGENESIS”

Robotics Club of GHRCE “ROBOGENESIS” organizes Robo-Relay Race (a three level robotic competition) on 14 September, 2015. It was a team race where participant need to form a team of three. In all total 22 teams participated. Students from First Year, mechanical, electrical, CSE department participated in the event. The event was coordinated by Prof. Ravikumar Tiwari, Mentor (Robotics Club) and Mr. AbhijeetBhagat.

Dr.Preeti Bajaj, Director and Dr.S.S. Dorle, Head, Electronics Department congratulates students member of Robotics Club and encouraged them to organized such robotics activity in near future.

Prof .Trushna Deotale  
Asst Professor of  
Electronics  
Department Conducted a  
Guest lecture on  
"Issue and Solution on  
Project Design"

Prof .Trushna Deotale Asst Professor of electronics department Conducted a Guest lecture on "Issue and Solution on Project Design" at YCCE, Nagpur. The guest lecturer was arranged on 1 Oct 2015. The students of 3<sup>rd</sup> Year Electronics has taken the advantage of information shared. The students asked various queries related to Project design.

A Guest Lecture on Electronic Devices & Circuits was organized on 3<sup>rd</sup> October 2015 by Electronics Engineering Department under IEEE.

A Guest Lecture on **Electronics Devices & Circuits** was organized on 3<sup>rd</sup> October 2015 by Electronics Engineering Department, for the 150 students of 2<sup>nd</sup> Year Students ETRX (A & B). The lecture was delivered by Prof. Prabhakar Dorge, Assistant Professor, from YCCE, Nagpur. He is also a Research Scholar at G.H.Raison College of Engineering. He answered each and every question raised by students regarding CMOS Transistor & Circuit design. He helped a lot in clarifying student's doubts. He also shared his experience of research work. It was essential for students to know his views in person. The guest lecture was coordinated by Prof. P.M.Ghutke & Prof. M.M.Pathan.
