(Autonomous institute under UGC Act 1956 &
Affiliated to Rashtarsant Tukdoji Maharaj Nagpur University)
CRPF Gate No. 3, Digdoh Hills, Hingna Road, Nagpur-16.

Department of Computer Science & Engineering

PHOENIX September 2014

Ganesh Mahotsav [Phoenix-14]

Department of Computer Science & Engineering of G.H. Raison College of Engineering celebrated Ganesh Mahotsav, Phoenix-14 on 3rd September 2014, in a grand manner at GHRCE campus. Dr. L. G. Malik, HOD of CSE department was the chief guest for the occasion.

The programme started with Aarti. Dr. L. G. Malik extended a warm welcome to the gathering. In her speech she pointed out her parental role in the CSE dept. and also the role of teachers in taking care of the students. Prof. S.P. Karmore, Forum In charge, presided over the function.. She wished the students to be successful in all their endeavors. Then the Badge Installation Ceremony was conducted, there after President Ankit Singh admired the selfless efforts taken by the teachers as well as committee, in his speech. Finally, there was cultural programme. In the colourful show, students brought to limelight their talents through dance, Singing & Fashion Show. Then the prize distribution ceremony was held where students were rewarded for their performance in various cultural, Technical & Sports activities.

Indoor sports were conducted on 23rd August. The winner of pool was Shubham Bulbule, Chess winner was Rahul Jajoo, Carrom Singles was won by Abhijeet Munje & doubles by the team of Abhijeet Munje & Krunal Parate. Rohit Rai bagged the medal for Table Tennis.

The Technical Event LAN Gaming was held on 30th August, Subway Surfer was won by Rajat Nipane, the winner of NFS was Suraj Singh Thakur & the Clan "Warriors" led by Tushank Shethe won the Game of Counter Strike.

The singing competition was won by Mansi Bhawe followed by Shashank Rane. Dance winner was Sankalp Dekate & the runner-up was Aishwarya Abdeo. Mr & Miss Phoenix 2014 were landed by Rahul Gadepali & Benazeer Khan respectively.

President Sayali Uplenchwar proposed a vote of thanks in which she showed her gratitude towards the college, Director Ma'am, HOD Ma'am, Teacher Incharges, Committee members, Participants & her colleagues. Then with the conclusion of the event with the evening Aarti, students organized a grand celebration with Dhol & Tasha.

Faculty Attended Training at IIM, Udaipur

Dr. Latesh Malik & Dr. P.V. Walke attended Management Capacity Enhancement Program at IIM, Udaipur from 22-27 Sept 2014. Training program has sessions on TEQIP II by Dr. A. Digraaskar, Finance by N. Viswanathan, Strategy planning by Thomas Joseph, Modernization of library resources by Dr. H. Anil Kumar, Challenges in Institutional Building by Dr. Janat Shah, Information Technology and MIS by V.V. Rao, Self Management by D.V.R. Sheshadri, Curriculum and R&D by Dr. N.N. Kishor. Program was concluded with presentations by participants and feedback. It was coordinated by Dr. V.V. Rao and Mandar Nayak.

National Linux Security Championship Organised by CSE Department

Department of Computer Science & Engineering of G.H. Rasoni College of Engineering held two days workshop of National Linux Security Championship (NLSC 2014-15) on date 16th and 17th September. College confirmed as a zonal center for the NLSC 2014-15 is National Linux Security Championship and a workshop series jointly being organized by EES, IIT-Delhi and VBM Technologies Pvt. Ltd, Noida. Total 58 students were participated in workshop. Prof. S.P.Karmore was Event in charge for workshop and prof. apeksha sakhare was co coordinator .Student coordinator is Pradnil Rajankar and Sahil Daga.

NLSC
National Linux Security Championship

in association with
IIT Delhi (EES)
Presents

Electrical Engineering Society
भारतीय प्रौद्योगिकी संस्थान
Indian Institute of Technology, Delhi

India's first Linux Workshop cum championship !

National Linux Security Championship

WORKSHOP HIGHLIGHTS:

- NLSC is being Organized by EES IIT Delhi & VBM Technologies.
- A two days workshop at Zonal Center.
- A competition will be organized among the students in the last session (second day) of the workshop.
- All zonal winners will be awarded by excellence certificate.
- Top winning students from each zonal center will get direct entry to NLSC grand finale round at IIT-Delhi.
- Winners of NLSC will get prize upto Rs. 1 Lac including Gadget as well as NLSC Goodies at every zonal center.

Day 1:

First session of NLSC Workshop contains what is Linux? , Linux vs. Windows. , About RED HAT., What is Kick Start in Linux? , NTP, Basic Networking and practical of IP addressing .Second session contains practical and theory related to Software Installation and awareness about different types, Introduction to Basic and Advanced Commands, User Management, Group Management and Permissions.

Day2:

First session of NLSC Workshop contains Practical and Theory of File System Management, Ownership of files ,RAID Technology, Software Installation: YUM, Deploying Basic IP Servers: DHCP,SSH and deploying SSH for remote login, Deploying Name and Security Server: DNS. Second session contains practical and theory of Deploying APACHE Web Server and securing it with CRYPTOGRAPHY, Deploying Proxy web server: SQUID, Understanding SEL (Security Enhanced Linux), Understanding Software Firewall in Linux by using Net filter.

Trainer of work shop is Bakul Datt.He is Senior Research and Network Engineer in VBM Technologies. His job profile is related to Provided Unix/Linux System Administration/Engineering in an environment of both local and remote servers. Installed and maintained binary packages using YUM and RPM, created local/private YUM repositories, Kickstart, set up collaborative directories.

Designing, Implementing and troubleshooting network. In routing OSPF, EIGRP, and BGP are main protocol for routing and routing traffic reduces and in

switching Port Security, STP, VLAN, Ether Channel, Inter-V Lan Routing and Frame-relay He is certified with RHCSA (Redhat Certified System Administrator), CCNA (CISCO Certified Network Associate) , CCNP (CISCO Certified Network Professional) He have taken 35+ in various Indian Universities, He have taken 50 workshops for students in various Institutes.

The two students was winner named as 1. Mr. Abhishek Charde, 2- Mr. Suyog Pathak zonal winner from G H Raison College of Engineering for the National Linux Security, who are eligible to go to final round at IIT Delhi .

Wishing them a happy learning with NLSC and good luck for final round at IIT Delhi. Event In charge were S.P. Karemore, A.V. Sakhare
