Progress seminar for M.Tech. (Transportation Engg.) held by Department of Civil Engineering

Department of Civil Engineering organized Progress Seminar on 12th January 2015. The presentations on projects were conducted in the presence of external expert Prof A.K Sharma and internal experts/guides Dr. P. Y. Pawade, Dr. B. V. Khode, Prof. S. D. Ghodmare, Prof. B. J. Godbole, and Prof. V. K. Gajghate. During the presentations, their progress was verified and discussions about their future line of action were carried out.

Department of Civil Engineering has organized Progress Seminar for M. Tech. Environmental Engineering at GHRCE, Nagpur

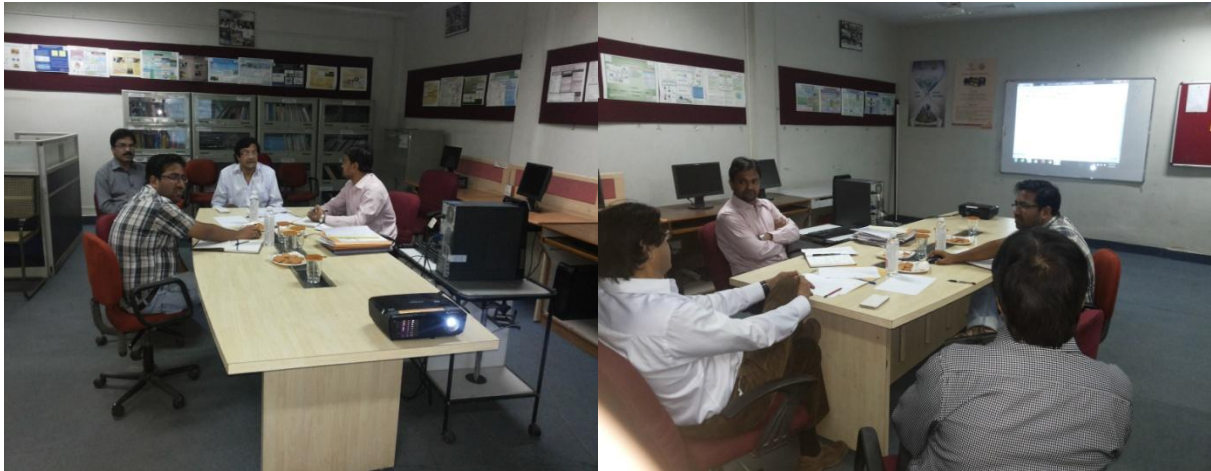

A Progress seminar was conducted in Civil Engineering department for PG program Environmental Engineering on 10th February 2015 and Departmental Library (F-15). Seminar was conducted for the students of M. Tech. IV semester Environmental Engineering. Expert for the seminar were Dr. V.A. Mhaisalkar, professor from VNIT, Nagpur, Dr. P. B. Nagarnaik, Deputy Director, GHRCE . Dr. P. Y. Pawade, (HOD) Civil Dept was present for the seminar. Prof. Isha P. Khedikar , Prof. M.P. Bhorkar and Prof. B.J.Godbole faculty members from Civil Engineering as guide for PG students

February 2015

were also present in seminar. Student presented their own dissertation research work progress on PPT presentation in the seminar. Experts had given remarks on the research work and corrective action was taken place.

Online CAE Question Bank Audit of Civil Engineering Department

Online CAE question bank audit of teaching learning process was conducted on 7th & 10th Feb. 2015. Question bank is audited by external expert from VNIT Nagpur. Dr. V. A. Mhaisalkar & Dr. Rajesh Gupta, Professor, Civil Engg. Dept., VNIT, Nagpur has been invited for the audit. They evaluated performance on parameters like quality of questions prepared by the faculty, mapping of course outcomes with questions, syllabus covered of individual CAE and discussion with faculty regarding questions. During evaluation fruitful suggestions were also given by the experts to faculty. According to Dr. Rajesh Gupta, the level of questions should be as like as GATE exam questions. Dr. P. B. Nagarnaik, Deputy Director & Dean Academics, Dr. P. Y. Pawade, HOD Civil, Dr. B. V. Khode, Prof. P. J. Wadhai & M. P. Bhorkar Departmental exam coordinator were present during audit.

Civil Engineering Department under Technorion-2K15 Bridge making event at GHRCE , Nagpur

February 2015

Bridge making event was organized by Civil Engineering Department under Technorion-2K15 on 19th Feb 2015. The event was a spectacular success with participations from around 80 teams (320 participants) from different colleges in Nagpur region. Prof. Isha P. Khedikar was faculty co-coordinator while Rajdeep Ghosh & Nikhil Dhobe were student co-coordinator. Dr. P. Y. Pawade HOD (Civil), GHRCE was the expert who judged the Bridge making competition based on evaluation criteria, given dimension of the model, maximum strength, and weight of structure should be below 350gms. The prizes were given to the winning team and runner up team. The winning team was from Government Polytechnic, Nagpur; the model sustained a load of 22 kg and the runner up team was from G. H. Rasoni College of Engineering, Nagpur; the model sustained a load of 19 kg.

Civil Engineering Department under Technorion-2K15 “RIVER INTEGRATION MODELLING”

River Integration Modelling event was organized by Civil Engineering Dept. under Technorion-2K15 on 18th Feb 2015. The event was organized for the first time with participations from around 3 teams (12 participants) from GHRCE Nagpur. Prof. N.H. Pitale was Faculty Co-coordinator while Sudhir Mankar & Tabish Anwer were student Co-ordinator. Prof. P. J. Wadhai, GHRCE was the expert who judged the River Integration Modelling based on Presentation, Material used, Application, Purpose. The prizes were given to the winning team. The winning team was from G. H. Rasoni College of Engineering, Nagpur.

February 2015

Smart City Planning” competition organized by Civil Engineering Dept. under Technorion-2015

This event was organized by department of civil engineering under technorion 2K15, on 18th Feb 2015. This event was a spectacular success with 11 groups of participants from different engineering and polytechnic colleges in Nagpur region. Dr. B.V.Khode was expert judge of the event. The judgement of the city planning competition was based on criteria such as planning, area allocation, uniqueness, amenities, land scaping & internal approach roads. The first prize was won by Mrunal Dhote, Prathemesh Ghashikar, Tanmay Kakote. (Govt. Poly.) & Runner up was given to Virendra Gokhale, Pankaj Kamthe. (GHRCE). Prof. D.S. Padole were the faculty coordinator of the event. Hitesh Borikar & Suyash Mendhe was the coordinators and co-coordinator of this event respectively.

“Tender Filling” competition organized by Civil Engineering Dept. under Technorion-2015

This event was organized by department of civil engineering under Technorion 2K15, on 19th Feb 2015. This event was a spectacular success with 20 groups of participants from different engineering and polytechnic colleges in Nagpur region. Prof. P.B. Patil were expert judge of the event. The judgement of the **Tender filling** competition was based on criteria such as planning, rate criteria etc. Prof. D. S. Padole was the faculty coordinator of the event. Ambarish Bhope & Pravin Thakre was the coordinators and co-coordinator of this event respectively.

February 2015

“Tower Making” competition organized by Civil Engineering Dept. under Technorion-2015

This event was organized by department of civil engineering under Technorion 2K15, on 18th Feb 2015. This event was a spectacular success with 30 groups of participants from different engineering and polytechnic colleges in Nagpur region. Prof. P.J.Wadhai and Prof. S.D Ghodmare was expert judge of the event. The judgment of the tower making competition was based on criteria such as planning, Design, uniqueness & load carrying capacity of the tower. The first prize was won by:- Pawan Malpani, Piyush Parde, Prateek Arawal, Saurabh Dekatey.(GHRCE). Runner up was given to:- Rahul Sormare, Rohan Shaniware, Bhushan Satpise, Rahul Rai.(Gov.Poly.)Prof. T.J Nikose was the faculty coordinator of the event. Kaustubh Khadse & Saurabh Wagh were the coordinators and co-coordinator of this event respectively.

Ph.D. Progress Seminar Conducted by Civil Engineering Department

Department of Civil Engineering organized Ph.D. Progress Seminar on 11th February 2015. The seminars were conducted in the presence of external expert Dr. V. A. Mhaisalkar, Professor, Civil Engineering Dept., VNIT, Nagpur and internal experts Dr. P. B. Nagarnaik, Dr. P. Y. Pawade and Dr. B. V. Khode. During the presentations, their progress was verified and discussions about their future line of action were carried out.
