Presentation of DIAB agenda

Industry experts during discussion at DIAB

Department of Civil Engineering, organized Industry Advisory Board meeting on 13th March 2015. Prominent Industry experts Mr. P. L. Bongirwar, Senior Advisor, L & T, IDPL, Mumbai, Er. M. Chandrashekhar, General Manager (Tech.) & Regional Officer, National Highway Authority of India and Dr. Preeti R. Bajaj, Director of the institute present for the meeting.

Dr. P. Y. Pawade, Head , Civil Engineering Department briefed about the agenda of the meeting. He also highlighted the existing scheme of one semester internship / field project at final year (8th semester) of UG program along with its periodical assessment and review.

Expert members appreciated the new system of Outcome Based Education OBE and pleased with the curriculum, scheme and syllabi. Experts also stressed on the need of practical approach towards solving industry problems. Practical Industrial problems were also discussed along with the curriculum of the department. The Industry Experts delighted with the six monthly industrial project for outgoing students with some field exposure and practical knowledge. The house satisfied with the existence of this new scheme of field project for final year students and strongly recommended to continue the same. The meeting concluded with vote of thanks by Dr. P. B. Nagarnaik, Dean Academic. Dr. B. V. Khode, Prof. P. J. Wadhai and all the faculty members of the department prove to be instrumental for the success of the meeting.
