### **FDP on BI and Analytics in Persistent Pune**

Two of our faculties, Ms. Snehlata S. Dongre and Ganesh V. Padole have attended the FDP in Business Intelligence and analytics, which was held by one of the giant technical industry “Persistent” (pune) Dated 28 and 29 June 2012.

Most of the important aspects of Business Intelligence were included in this workshop starting from the Basics of BI, how they are correlated with the database and academic, how BI and academic subjects are used within the industry, how the sentiment analytics is mapped with the real world. Not only the information about the business intelligence is given but also the aspects from the point of view of the industry are also told in the workshop such as what are the industry expectations and what are the skills which are required for becoming BI

professional, how the betterment of business can be done with the help of predictions in industry which seems to be an important aspect of BI.

A brief and interactive demonstration of business intelligence tools was shown and finally the new trends of BI for eg. reports on mobile, cloud based solutions, Big data and virtualization. The most important is the FDP covered A few case studies from persistent projects that had demonstrated the practical use of academic subjects which was very useful. All of these important topics were covered by the experts in those particular fields. The workshop was concluded successfully, giving a vital information about the business intelligence its need and its used for the future perspective.

### **CSE faculties Attended Workshop on “Research Areas in the field of Computer Science”**

Mr. Manish Narnaware & Mr. Lalit Dole, along with sixty other participants, were at PIET College on 30<sup>th</sup> June 2012 for attending “One Day Workshop on Research Areas in the field of Computer Science.” Prospective researchers were enlightened on the following

research areas by given speaker's, Dr. Sathe guided the participants on the new avenues in Parallel Processing & informed about tools like OPENMP, MPI, GPGPU etc. Dr. Bawane, apart from talk on Neural Network, informed the participants on how & where to publish the research papers. Dr. P. Deshpand's talk was about the journey of knowledge discovery covering upto latest trend like Graph Mining. Dr. Raghuwanshi's main message was, "One must be able to map its Genetic Algorithms to the phenomenon found in universe". Lastly Dr. A. Mahajan concludes the workshop with different applications in AI & distribution of certificates to the participants.

### **CSE faculties attended workshop at IIT**

#### **Kanpur**

Prof. N. A. Chavhan & Prof. V.A.Gulhane of Computer Science & Engg. Dept, GHRCE, Nagpur, attended 3days Workshop on **Wireless Sensor Networks: From Theory to Practice** Organized by [Department of Electrical Engineering, IIT Kanpur](#)– 208016, U.P. (Sponsored by BSNL IITK Telecom Center of Excellence) on May 24<sup>th</sup> to May 26<sup>th</sup>, 2012.

### **PG Counseling**

PG Counseling was organized on 5<sup>th</sup> June 2012 by Department of Computer Science and Engineering. Dr. L. G. Malik Coordinator M.Tech. (Computer Science & Engineering), K. N. Hande Coordinator M.E.(Wireless Communication & Computing), Dr. D. V. Padole Coordinator M.E. (Embedded System & Computing) N. A. Chavhan Coordinator M. E. (Mobile Technology) addressed the gathering. They covered the subjects, objectives of courses, faculties, guest lectures and proposed industrial visits.

### **Undergraduate student counseling**

UG Counseling of Third Semester students was organized on 11<sup>th</sup> June 2012 at auditorial by Dr. P. R. Bajaj, Dr. P. B. Nagarnaik and Dr. M. M. Khanapurkar. Dr. P. R. Bajaj addressed the students about expectations. Dr. P. B. Nagarnaik discussed about evaluation and examination pattern. Dr. M. M. Khanapurkar told about integrated M.B.A. program. Students were directed to D-19 Room where Dr. L. G. Malik HoD (CSE) discussed about achievements and infrastructure. Subject teachers & class teachers of Third semester were also present.
