SEISMIC 2k18

Date:-14/09/2018

As per the tradition of G H Raisoni College Of Engineering Nagpur every department proceeds with its own set of technical and cultural activity under the desired forum. The forum of Department of Civil Engineering is termed as SEISMIC based upon the seismic waves that emerges from the core of the Earth responsible for major environmental influences. As per the tradition goes the forum was inaugurated by the welcoming of Lord Ganesh the sole "Strot" of wisdom and knowledge and to worship the same many cultural and technical activities were conducted.

The Forum SEISMIC was conducted on 14th Sept 2018, just after the warm welcoming of "Ganpati Bappa". The event was inaugurated by the hands of Deputy Director Dr P.V.Walke, Head of Department Dr P.Y. Pawade, Dr B.V.Khode, Forum In charge Prof P B Patil, Forum Co-Incharge Prof A.A.Gulghane. The Event was boosted with chanting of Saraswati Stotra, preceding with the forum Committee installation also the students was guided Dr P.V.Walke, followed by a brief of forum activities and students activity report by Prof P.B.Patil, later Ayush Pareekh the forum president, The event consisted of various technical activities which were carried during the morning sessions 9:30 am to 1:30 PM after which the Cultural activities were conducted from 2:30PM to 5:30PM. The event was Grand Success all was possible only due to dedicated work of all forum members and the guidance of forum In-charges.
