Department of Computer Science and Engineering Organised

Technical event on “TechXcellence” on dated 15th Sept.2018

On 15th Sept 2018 on the occasion of Engineers Day, Department of Computer Science and Engineering (CSE) conducted a technical event called TechXcellence.

TechXcellence is a technical quiz, quiz which was based on basic computer knowledge. The quiz questions were related to M-Tech I Year syllabus which covers our subjects such as Network Security and Cryptography, High Performance and Computing, Soft Computing, Distributed Operating System.

This quiz was divided into 3 rounds:

Round 1: Pic2Word

The game has a very simple operation: you must be able to guess the word proposed using the images on the screen.

Round 2: MindSurf

Here, technical questions regarding our syllabus were asked.

Round 3: Movie of Tech

In this round video clip were displayed and the students were asked to guess the famous person who was in the video.

It was an amazing experience of learning and showing our knowledge with the twist in the quiz. And the winner of this was **Miss. Jayati Gandhi Roll No 3**, as she has answered the maximum number of question.

Last but not the least, an autobiography of **Dr. APJ Abdul Kalam** was also played. **As Dr. APJ Abdul Kalam** was well known for his intelligence and dynamism and his contribution toward our country and all his work and his constant support for highlighting youth, this autobiography has motivated student to think out of box and do extraordinary things to help our developing nation and to develop themselves more.
