

Departmental Forum COMETS 2K17 and Ganpati Festival

The installation programme of the 'ShriGanesh Idol' was organized in G. H. Raison College of Engineering, Nagpur on the occasion of ten days 'Ganesh Festival' on 31st August, 2017. The installation of the departmental forum 'COMETS' was also done by the Department of Mechanical Engineering of the college.

As per the holistic tradition of college about Ganesh Festival, on each day of festival every department has to perform their forum activities and cultural programmes on respective days. The seventh day was of Mechanical Engineering Students, who had organized various forum activities including Dance, Singing, Musical unplug, Kawwali, Prize distribution to winners of various competition that had already taken by department etc. The installation programme of forum body was also done where badges were provided to all forum members. Mr. Ankush Ingale and Mr. Omkar Gupta were installed as forum President and vice-president respectively.

During the programme Dr. P. R. Bajaj, Principal, Dy director Dr. S.B. Jaju, Dr. P. V. Walke, HoD, Dr. Kriplani, all faculties of Department of Mechanical Engineering were present there. Forum coordinators Prof. S.S. Kumbhalkar and Prof. Karankumar Chaudhari have taken great effort to lead the programme on successful path of completion. Nitesh Goyal, Shubham Tiwari & Miss Mehak were the anchors of the whole programme. All the forum members had worked hard for the successful conclusion of programme and credit went to them.
