SEISMIC- 2014

FORUM INSTALLATION

Civil Engineering Dept. of GHRCE, Nagpur Organized Installation Ceremony of
Forum SEISMIC-2014

The Civil Engineering Department of G. H. Raison College of Engineering Nagpur conducted the installation ceremony of Forum "Seismic-2014" on 31th August 2014. For the installation ceremony, Dr. P. R. Bajaj, Director, GHRCE; Dr. P. Y. Pawade, HOD (Civil); Dr. B. V. Khode and Prof H. G. sonkusare were present. The program started with Ganesha Aarati & lighting of traditional lamp with the hands of dignitaries. All the dignitaries were given a floral welcome by the student body. After the welcome, the elected student office bearers of the Forum-

2014, were installed by the hands of Chief Guest, Guest of Honor and HOD of Civil Engineering Department. Mr. Rohit Lohia was elected as Forum President. Mr. Gaurav Pratik are Forum Vice-President. Karan Sharma is the Secretary while Dipshikha Gadekar is the Joint-Secretary. Shrirag Menon is the Discipline Incharge and Smriti Patle is Exe-comm member. The Forum Executive Committee further comprises of students from various semesters. The gathering congratulated the office bearers and wished good luck for Forum-2014. After this Prof. H. G. Sonkusare, Forum Incharge, provides information about various activities such as site visits, guest lectures, paper presentation competition etc which will be conducted under the banner of Forum. Dr. P.Y. Pawade, HOD Civil Engineering, spoke about the various initiatives taken by the Department to make education more multi-dimensional by integrating industrial aspects in academics as well. Ms. Deepshikha Gadekar, Joint-Secretary, Forum-2014, also spoke on the occasion and thanked the Department for taking various initiatives on improving soft skills as well as technical knowledge. The inaugural function concluded with a dance by Shubham Thaware and Supriya Deshmukh.

In the afternoon session, various events such as singing competition, dancing competition and Fashion Show was organized to showcase talents of the students. The programme ended with Ganesha Aarati by all faculties of Civil Engineering department.
