

Event Title: iOS Workshop

CAPTION: iOS WORKSHOP ORGANIZED BY INFORMATION TECHNOLOGY DEPARTMENT, GHRCE, NAGPUR

Department of Information Technology, G. H. Raisoni College of Engineering had organized an iOS Workshop on 16th & 23rd December 2016 and 7th & 27th January 2017 and 4th February 2017 for 6th Semester students Batch-I of 38 students. The speaker was Industry persons **Mr. Kartik Raghubhati & Mr. Animesh Jaipurkar**. It was organized by Prof. G. S. Khekare under the guidance of Prof. N. A. Chavhan, Head of department, Information Technology.

iOS (formerly iPhone OS) is a mobile operating system created and developed by Apple Inc. exclusively for its hardware. It is the operating system that presently powers many of the company's mobile devices, including the iPhone, iPad, and iPod touch. It is the second most popular mobile operating system globally after Android. iPad tablets are also the second most popular, by sales, against Android since 2013.

Every Saturday Industry Persons devoted 6 hours. In the workshop of 30 hours student has learnt various aspects of iOS application development through Swift language.

It was a very interactive workshop and students participated with full zeal.
