

Prof. K.N. Dekate and Prof. N.P.Wyawahare from Electronics Department attended 2 Days Training by TWINSTAR TECHNOLOGIES PVT.LTD.

Two days workshop on “Display Technologies” was conducted by Twinstar Technologies Pvt.Ltd. at Yashwantrao College of Engineering, Nagpur on 12th and 13th Oct 2017. Around 50 Faculties from different colleges were present from different institutes of Nagpur University. The workshop was divided in two parts , first is introduction to display systems, company details and area of interest of company and second is detail of technology and basics of display, so first day was dedicated to introduction and second was dedicated to basic of technology, fabrication of display systems. The sessions was conducted by Dr. Jean Ho Song , Chief Technology officer, Twinstar, and Dr.JeetendraSehgal . First day introduction about company was presented by Mr. VimalMalhotra, Vice President-HR.

Main aim of the workshop was to train faculties in display systems, the sessions were interactive many faculties took part in interaction. On day two a short recap of day was taken as well in last session of day two there was a small test regarding the display systems.

In Valedictory function all the participants were presented with certificates. The mentors also said to conduct more such sessions in coming days and will also provide practical hand on but the seats will be very few as it will cost a lot.

Prof.Kunal N Dekate, Prof. N.P.Wyawahare from Electronics Engg. Department attended the workshop from G H Rasoni College of Engineering, Nagpur.
