Our Inspiration

From the Desk of Chairman

I am immensely pleased to welcome you to G H Raisoni College of Engineering, Nagpur an Autonomous institute. Hard work, open communication, a strong emphasis on team work and a high level of responsibility are the attributes of the institute We prefer not to toil for the momentary pleasure rather we strive hard for permanent treasure. We do not feed the students with mere facts and knowledge instead; we motivate our students to be the source of knowledge themselves. It has been possible by team of our faculty members who are proficient in inculcating right skill sets in students. They demonstrate what they teach and they live what they profess. In other words, our faculty members are the best facilitators, who inspires the students to achieve their goals.

We accentuate on a great deal on our academic excellence and cultural ethos. This includes constant update on current technology, continuous evaluation and improvement of students by providing a team with excellent faculties in a congenial academic environment. We strive hard to train and equip our students to get placed in top notch corporate and business units by tapping, honing, and transforming the latent potential and talent of students. I wish you all the best for a successful career.

Shri. Sunil Raisoni, Chairman, RGI & BOG GHRCE.

From the Desk of Secretary

To embark on a journey of success one need to the tools of preparedness, foresight and strategy. These lead to the path of growth and excellence. It is imperative to combine these three forces in knowledge assimilation, where every day and every semester acts like a pivot tilting the pan balance of life in favor of professional excellence. At GHRCE, we create an academic foundation for social, cultural, scientific, economic and technological development of the students. We develop our students for global competitive environment. Our focus is to achieve unparalleled excellence that will bring development to our society and

mankind by optimizing their potential. It is our fervent hope that the time that you spend at GHRCE would enable you to equip with leadership and managerial skills. The knowledge that you will gain, the fine qualities that you will imbibe and the technical skills that you will learn to apply will be your major contribution to your parents, to society, and to the nation. I welcome you to GHRCE to embark on a journey of success.

Shri. Nitinji Tatiya, Secretary, Ankush Shikshan Sanshta.

From the Desk of Director

Education enables a person to face new challenges, achieve progress and lead a successful life. GHRCE is committed to provide quality technical education to the diverse community of students in a unique way like a prism reflecting the manifold shades of learning and co-curricular activities. All our UG courses are accredited by NBA under Tier-I (WA) and the institute is accredited by NAAC with 'A' grade. We are empowering students to acquire interactive communication skills, technical and employable skills to compete in the global world. Choice Based Credit System (CBCS), Credit transfer scheme (CTS), 6 month industry internship, innovation & exposure to Entrepreneurship through our “Campuspreneur Programme” are some of our USPs which have benefited a lot to our students. The vibrant and conductive environment of the institute has always motivated our students to achieve many state and national level awards and recognition in technical, sports and extracurricular activities. The career prospects at GHRCE are wide-ranging and fulfilling. In addition to core technical skills we also imbibe, out of the box thinking, creativity amongst students which

has resulted in 5th position PAN India for patent fillings and award winning projects.

I welcome you to realize this wonderful experience at GHRCE.

Dr. Preeti Bajaj, DIRECTOR,.

PREAMBLE

G.H. Rasoni College of Engineering (GHRCE) Nagpur, established in 1996, is an autonomous institution affiliated to Rashtrasant Tukadoji Maharaj Nagpur University. The institute became autonomous in 2010 for a period of six years till 2016 and UGC has renewed autonomous status till 2022. It is ranked 67th PAN India in Engineering Discipline as declared by National Institutional Ranking Framework (NIRF) 2017, MHRD, Government of India

Autonomy: The institute has brought many reforms under Autonomy, which prominently includes strengthening engagements with industries, implementation of Choice Based Credit System (CBCS) and Credit Transfer Scheme (CTS) with VJTI Mumbai, College of Engineering, Pune and IIT Gandhinagar. It has partnered with IIT Powai for NMEICT and adopted modern teaching learning practices with blended MOOCS, Google class room, Akash tablets, Virtual labs and E-yantra project, etc under MHRD. It has executed QEEE (Quality Enhancement in Engineering Education), a programme of IIT Madras under TEQIP-II. For executing this programme, it has been listed under partner category for last two years. Every department has Departmental Industry Advisory Board (DIAB) and Board of Studies with two industry representatives. Industry experts are involved in framing the curriculum, guiding and evaluating projects. The Internal Quality Assurance Cell (IQAC) maintains quality of all its processes.

Intake & Accreditation GHRCE offers 07 Undergraduate, 12 Postgraduate and 10 Doctoral programmes with total intake of 1434. The total strength of students is around 5000. It has been accredited with "A" grade by NAAC in 2012 and re-accredited in second cycle with A+ grade for five years wef from 12th Sept 2017. It has completed three cycles of NBA accreditation and re-accreditations. Currently, it's all (seven) undergraduate programs are accredited under Tier-I. Also six postgraduate programs have been accredited and four postgraduate programs were re-accredited by NBA. GHRCE has received number of Sponsored research projects from DST, AICTE, IEL, UGC, TEQIP-II etc worth Rs. 10 Crore plus.

TEQIP-I & TEQIP-II:IP-II: It is the youngest Institute in the country to qualify for, and to implement TEQIP-I & TEQIP-II, the World Bank Assistance Projects on quality improvement. World Bank and MHRD appreciated initiatives undertaken for improving transition rate and had invited institute to present the case study for guiding 06 states in the country. It has been ranked under Platinum category for Best Industry linked institution by AICTE-CII Survey of 2015 for 05 programs and gold for the rest. Under TEQIP-II it has inked MoU with IIT Gandhinagar, VNIT Nagpur, College of Engineering Pune, VJTI Mumbai and SVNIT Surat. The Institute has conducted 40 plus STTPs individually and in association with industries. Faculties have been deputed to attend trainings at NITs (70), IITs (44), IIMs (15), Industry (42). Many leading MNCs like Mahindra & Mahindra, Intel, Cranes, Texas Instruments, Xilinx and National Instruments have established their laboratories in the campus.

Research: The Institute has institutional membership and student's chapters of IEEE, SAE, ASME, ICI, SESI, IETE, etc. It has hosted nine International Conferences amongst which seven IEEE International Conferences, one Elsevier International conference and 30 plus National conferences. Experts from NITs, IITs, IISc and other reputed organizations are involved for assessing six monthly progress seminars of Ph.D. students, PhD pre-submission seminars and PhD colloquia. This has resulted into 4000 plus research paper publications with 5000 plus citations.

Industry Engagements: The Institute has setup Incubation Centre in the premises to create eco-system for entrepreneurship. At present 06 startups are functional. It has organized entrepreneurship events like Startup summit, IEEE Entrepreneurship workshop under grants from ISTE, EDI & IEDC- a prestigious project of Rs.50.00 lacs from DST NSTEDB. To make the students industry ready, the Institute has included 6 months mandatory

industry internship in the 4 year B.E. course. Students undertake internship in 300 plus companies. Board of Apprenticeship Training (BOAT) of Western Region approved the Institute for this sandwich programme for undertaking internships. Mercedes Benz, Amazon, TCS, Tech Mahindra, IBM, Cybage, Cap Gemini are major recruiters. The Institute has strong alumni network spread across the globe. Around 100 plus alumni are entrepreneurs. The World Economic Forum nominated one of our alumnus and founder of “Mind Maze” – a Worldwide Leader in Novel Applications in Neuro Rehabilitation, Dr. Tej Tadi as Young Global Leader 2015. The Institute has NSS unit which conducts lot of community services for societal development. Students are National & International Color holders in various Sports. 100% projects are based on industrial problems.

Start up India: The eco-system set for innovation has helped students to win many awards and prizes at National level Events like gold trophy at 19th National Conference on e-Governance organized by Department of Electronics and Information Technology. Other awards include National level project competitions conducted by IIT Kanpur, Motorola award, Avishkar-Inter-University, NEN, etc. Institute has participated in annual events of national repute like SAE BAJA, National Go Kart, RoboCon, Techpedia, etc. Our students are recognized by industries by way of Google student Ambassador, Microsoft students’ partner, TCS campus Ambassador, etc. In line with ‘Make in India’ initiative, institute has filed 153 patents in last 5 years with 5th position in India for filing patents in the area of Agro Ventures and also been awarded with top innovator award of DST-CII-AICTE initiative.

Skill India: In line with the Skill India campaign launched by Hon. Prime Minister of India, GHRCE in association with Yamaha Pvt. Ltd. has started in its campus, Yamaha Training School, which provides skill and competencies for two wheeler maintenance to under privileged youths of Vidarbha. Institute has trained 22 students in Yamaha training school, 100 students in 04 courses such as Television Repairing Technician, Test & Repair Technician, Telecom Embedded Hardware Developer and Construction Laboratory & Field Technician under Pradhan Mantri Kaushal Vikas Yojana (PMKVY) of AICTE and 60 students under Suryamitra program of MCED, Government of India

Objectives:

The Research Promotion Scheme of G.H. Rasoni College of Engineering, Nagpur aims to nurture research culture in the institute by promoting research in newly emerging and challenging areas of science and engineering. It encourages the Undergraduate, Post graduate and Doctoral degree candidates and faculties to undertake the research in newly emerging frontier areas of science and engineering including multidisciplinary fields. This will enhance the general research capability of budding technocrats by way of participating in conferences, seminars, workshops, project competition, etc.

Activities :

- R & D fund allocation and creation of R & D facilities
- R & D promotion activities for staff and students such as participating in conferences, seminars, workshops, etc.
- To promote and keeping track of research publications in conferences and journals
- Registration of candidates for Ph.D., progress seminars, pre-submission seminars till completion of research work.
- Encouraging Research Proposal for external funding agencies by faculty and doctoral students.
- GHRCE has MoU with IITB, VNIT, SVNIT, and COEP. The department needs to explore various research activities with these institutions.
- Patent drafting awareness programmes and filing patents.
- Seed money for projects.
- Project funding for UG and PG
- Progress of Centre of Excellence

R & D Resources :

- Qualified faculties
- Laboratories with research oriented facilities
- Library books, multimedia and journals (Printed and online)
- Externally funded research projects
- R & D cell promotes and motivates research amongst UG,PG and doctoral students
- Research groups

G. H. Raisoni College of Engineering offers Ph.D. degree through its various Departments. The award of Ph.D. degree is in recognition of high academic achievements, independent research and application of knowledge to the solution of technical and scientific problems in Engineering and Technology. Creative and productive inquiry is the basic concept underlying the research work.

The research work shall be an original work characterized either by the discovery of facts, or by a fresh approach towards the interpretation and application of facts. It shall demonstrate the candidate's capacity for critical examination and sound judgment and shall represent original contribution to the existing knowledge.

The degree of Doctor of Philosophy is granted for research work in areas recognized by the academic departments of the Institute. The degree of Doctor of Philosophy will be awarded in the discipline of the department in which the candidate is registered.

Departments have excellent R & D facilities and also tie up with national & International Labs & Center of Excellence.

Ph.D Programme are available as fallows :

- 1.Ph.D in Civil Engineering
- 2.Ph.D in Computer Science and Engineering
- 3.Ph.D in Electrical Engineering
- 4.Ph.D in Electronics Engineering
- 5.Ph.D in Electronics and Telecommunication Engineering
- 6.Ph.D in Information Technology
- 7.Ph.D in Mechanical Engineering

Registration procedure for Doctoral Programmes (Ph.D) Programmes of Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur as per Direction No. 37 of 2017 (refer website www.nagpuruniversity.org)

Admission Procedure

Step 1: Prospectus and application form is to be purchased by paying Rs.1000/- from G.H. Rasoni college of Engineering ,Nagpur . Candidates desirous of seeking admission to any of the Ph.D programme must deposit demand draft of required amount (refer table below) drawn in favour of the Director, G. H. Rasoni College of Engineering Nagpur, payable at Nagpur or cash payment at the College Bank Counter.

Sr.No.	Name of Programme	Fees per Annum (Rs.)	Caution Money (Refundable)	Fees for PhD Pre-Submission
1	Doctoral (Ph.D)	Rs. 50,000/-	Rs. 2,000/-(One time at time of Admission)	Rs 5000/-

Step 2 : The Candidates seeking admission shall submit Application Form along with with SOP to Dean Rand D office upto 15 Feb 2018 .

Step 3 : R and D Cell in association with Research Supervisor Allocation Committee shall schedule Pre- Registration Seminar , approve and evaluate final list of candidate in 1st week of March 2018 .

Research Supervisor Allotment Committee is formed as per the Direction No.37 of 2017 which shall evaluate, allot the Guide to Ph.D. Candidates for Jan 2018 registration cycle.

Sr. No.	Name of Department	Research Supervisor Allotment Committee
1	Electronics & Telecommunications	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson Dr. M. M. Khanapurkar, member Dr. D . V. Padole, Member
2	Civil Engineering	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson Dr. P. Y. Pawade, Member Dr. P.B.Nagarnaik, Member
3	Electrical Engineering	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson Dr. V. K. Chandrakar, Member Dr. D. R. Tutakne, Member
4	Computer Science & Engineering	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson Dr U N Shrawankar ,Member

Research Advisory Committee is formed as per the Direction No.37 of 2017 to review the research proposal and finalize the topic and periodically review the progress of the research work.

Sr. No.	Name of Department	Research Advisory Committee
1	Electronics & Telecommunications	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson / Dean R&D Two Research Supervisors in the Subject or group of subjects (nominated by Hon. Vice Chancellor), Member Research Supervisor, Member
2	Civil Engineering	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson / Dean R&D Two Research Supervisors in the Subject or group of subjects (nominated by Hon. Vice Chancellor), Member Research Supervisor, Member
3	Electrical Engineering	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson// Dean R&D Two Research Supervisors in the Subject or group of subjects (nominated by Hon. Vice Chancellor), Member Research Supervisor, Member
4	Computer Science & Engineering	Dr. Preeti Bajaj, Head of the Research Centre, Chairperson / Dean R&D Two Research Supervisors in the Subject or group of subjects (nominated by Hon. Vice Chancellor), Member Research Supervisor, Member

Step 4 : After selection the fees payment should be done by research scholar and submit Xerox of receipt to R and D cell .

Step 5 : The research scholar should contact R and D cell for Approval letter of Supervisor allotted to them .

Step 6: After College formality For registration of PhD program, Eligible Students have to apply online for Ph.D program by visiting the above website, will have to take a printout of the application along with necessary documents and submit on the below address:

Ph.D Cell, Exam Center,
Laxminarayan Technical Institute Premises,
Rashtrasant Tukdoji Maharaj Nagpur University,
Amaravati Road,Nagpur.

Students will have to submit their application in person on the above address till 25 April 2018 till 5.30pm .

Applications received after this will not be accepted.

Step 7 :Self Attested documents with application form:

Below attested documents need to be submitted along with application file is compulsory.

Incomplete application form will be rejected automatically, the research institute and approval committee will not call for joining the institute.

1. A copy of On Line Ph.D Registration form along with signature of Head , Place of Research and signature of allotted guide by place of research.

2. Ph.D program application fees Rs 1000/- receipt. (Submit the fees here: Ph.D program Fees Wing, Mahatma Jyotiba Fuley Educational University Premises, Amaravati Road, Nagpur)
3. Original pass certificates of PET-1 and PET-2. According to Instructions from high court those students who has followed direction number 29 of 2012 validity of 60 months qualified PET exam result sheet (original).
4. B.E/B.Tech and M.E/M.Tech original marksheets. (General category students should have 55% and SC/ST category should have 50% compulsory)
5. Those candidate who's masters degree is not from Rashtrasant Tukdoji Maharaj Nagpur University, students have to submit eligibility certificate and application form from Rashtrasant Tukdoji Maharaj Nagpur University.
6. Those candidate who's masters degree is not from Rashtrasant Tukdoji Maharaj Nagpur University in that case students have to submit a certificate of residing in the Nagpur Jurisdiction duly signed by Executive Magistrate in the Exam Section of Rashtrasant Tukdoji Maharaj Nagpur University.
7. Seven copies of Research Synopsis.
8. Copy of Approval letter of Research Centre from RTMNU copy
9. Number of seats available and number of seats left in the research institute information list along with signature of Head Research Center .
10. Researchers list working under the Supervisor along with signature of Head Research Center .

Step 8: Research Scholar has to submit 2 sets to R and D Cell of all documents submitted in RTMNU .

Note:

Above guidelines of Direction no 37/2017 the actual process may vary as per guidelines of University and research center governing body from time to time and intimation will be given to Scholars.

The Research Scholar has to comply the Institutions Rules and regulation before submission of Final thesis .

Course Work : As prescribed by Direction no 37/2017 RTMNU, Nagpur.

Tenure of Registration :As prescribed by Direction no 37/2017 RTMNU, Nagpur.

Cancellation of Admission / Registration : As prescribed by Direction no 37/2017 RTMNU, Nagpur

- Reviewed research papers for the International conference ICETET-08, ICETET-09, ICETET-11, ICETET-12, ICETET-13 & ICETET-15.
- Reviewed research papers for the International conference VPPC-08.
- Reviewed research papers for the International Journal IEEE – VTC.
- Reviewed research papers for the International conference IEEE WSN-10.

Extracurricular activities:

- IEEE Senior Member.
- Life Time ISTE Member.
- Life Member CSI
- ACM

Resource Person

- Delivered expert lecture at one week workshop on “VHDL design and Applications” at G. H. Raison Polytechnic, Nagpur, 2008.
- Delivered an expert lecture in ISTE Sponsored short term training Programme on “Embedded Microcontroller & RTOS” at GHRCE on 5th July 2006.
- Delivered an expert lecture in AICTE Sponsored Staff Development Programme on “Wireless & Mobile communication” at Priyadarshini College of Engineering, Nagpur on 6th September 2009.
- Delivered an expert lecture in AICTE Sponsored Staff Development Programme on “Advanced Wireless Communication” at Umrer College of Engineering, Nagpur on 13th February 2009.
- Invited as Session Chair for National Level Conference “NIRMITI-2011” on 8-9th March 2011 at Priyadarshini Institute of Engineering & Technology, Nagpur.
- Delivered an expert lectures in ISTE Sponsored short term training Programme, AICTE Sponsored Staff Development Programme, Research Methodology Workshop at various institutes.
- Session Chair in the National Conference “Spandan 2016” at YCCE, Nagpur.

3. Dr. Milind M. Khanapurkar

- Ph. D. (Electronics Engineering), M. B. A.(Marketing Management)
- Professor and Head, Department of Electronics and Telecommunication Engineering (Chairman Board of Studies, E & TC and ETRX Board), G. H. Rasoni College of Engineering Nagpur
- Experience: 26 years
- Approved Supervisor: Ph. D. & M. E. By Research (RTMNU, Nagpur)
- Professional Bodies: LM ISTE, Senior Member IEEE, Fellow Member IETE, CSI, MIE, ACM
- AICTE-ISTE STTP Attended: 09
- Seminars/ Workshops / Conferences attended: 30
- Guest Lectures delivered : 10
- Publications:
 - Book Chapter :01
 - International Journals: 14
 - International Conferences: 14
 - National Conferences: 09

Major Achievements:

- Patent Applied : 01 (March-2013)
- DST Travel Grant (Sept-2013) & AICTE Travel Grant (April 2008)
- RPS -AICTE grant of Rs. 09.00 lacs under (March- 2013)
- IEDC Grant , NSTEDB , DST New Delhi (July-2012) (Completed)
- IIP Cell –AICTE grant of Rs. 06. 50 lacs (April-2009) (Completed)
- AICTE Grant for STTP (May-2008) (Completed)
- PC Member of IC : VPPC 09, IEEE- ICETET-09, ICETET-10, ICETET-2011 & ICETET-11
- Guided Project has participated in National level Project competition at IIT Delhi and IIT Powai
- Dissertation / Projects Guided:
 - Ph. D. Registered :04 (01 in association with Industry, 01 RPS received)
 - M. E. By Research: 01 completed
 - PG (M. Tech.): 25
- UG: 40 (01 : Technology Transfer: 01: IEDC grant 1.00 lacs)

4. Dr. Sanjay Laxmikant Haridas

Highest Qualification: Ph. D. in Electronics Engineering

Experience: 25 Yrs. Teaching

Membership: ISTE & IE

Title of Dissertation: Power Optimization of Viterbi Decoder for Wireless Applications

Publications: National Conferences - 03

International Conferences- 07

Journals - 04

5. Dr. Dinesh V. Padole

- **Qualification:** M.Tech (EDT), Ph.D (Electronics)
- **Area of Specialization /Research:** Embedded Systems, Multi-core SoCs, and Digital Signal Processing
- **Total Experiences:** 14 Years
- **Number of Publications:**

Book	Two chapter published on international book
Journal (National & International)	11
Conferences (National & International)	21

- **Ph.D Students Registered :** 06 Students
- **M.Tech Project guided:** 24 Students
- **Professional Membership:** IEEE, ISTE, CSI, SMCS-IEEE
- **Awards:**
Received Best Teacher Award for year 2009-2010 from G.H. Raisoni College of Engineering, Nagpur
- **Expert Talk Delivered:**
 - Resource Person for Phase-II Workshop on “Outcome based Accreditation and Education” organized by National Board of Accreditation at Punjab Technical University, Jalandhar, on date 26 to 29 Aug 2013.
 - Resource Person for “Curriculum Updation Faculty Development Program” at G.H. Raisoni Polytechnique College, Nagpur from 02-07 Feb 2009
 - Resource person for STTP “Role of Microprocessor & Microcontroller in Interdisciplinary applications” from 26-30 May 2008
 - Delivered a Guest Lecture on “Microcontrollers & their Applications” at Govt. Poly. on 20/9/06
 - As a resource person for ‘Microcontroller’ in Workshop on Modern Elevator., March 2004
 - Expert lecture on “Embedded System” and SB Jain college of Engineering, Nagpur, 14/9/2012
 - Delivered expert lecture in Research Methodology Workshop on “Research Methodology and sampling” at GHRE for Ph.D and Post graduate students.
 - Delivered expert talk at Short Term program on “C2000 Microcontroller: Real Time MCUs”, organized by Department of Electrical Engg, GHRCE on dated 22 to 26 July 2013.
 - Delivered expert talk at Short Term program on “Embedded System”, organized by Department of Information Technology, GHRCE on May 2013,
 - Delivered Expert talk at KITS, Ramtek on 16 Feb 2015.

6. Dr. P.M.Daigavane

- Highest Qualification: Ph.D.
- Area of Work:- Controllers, DSP Processor, Image Processing
- Work Experience:- 27 years
- Research Guidance: A) Ph.D. :03
B) M.Tech :06 and ME (R): 01
C) B.E. Projects: 30 plus
- Research Publications: 42
- International journals : 09
- International Conference: 13
- National Conference: 14
- Academic honor : Session Chair :03
- Review of research paper : 06
- Conference, seminar attended, Training program, Workshop Attended:- 11
- Professional Society affiliation:- ISTE, IE(I), IEEE

7. Dr.S. S. Salankar

- Designation: Professor
- Academic experience: 25 Yrs.
- Qualification: Ph.D.
- Area of Specialization: Signal Processing, Image Processing & Soft Computing
- PhD student Guided: 07
- Papers published in International Journal: 04
- Papers published in National/International Conferences: 17
- Training & Workshop attended: 19
- Institution level Portfolio: Dean (International Relations)

8. Dr. Shubhangi D. Giripunje

- **Qualification:** Ph.D (Electronics Engg.), M.E.(Digital Electronics)
- **Area of Specialization /Research:** Embedded Systems, Multi-core SoCs, and Digital Signal Processing
- **Total Experiences:** 16 Years
- **Number of Publications:** National Conference-03
International Conference-07
International Journals-14

Research & Development:

- Working on Emotion recognition in speech using neural network
- As a Reviewer for International Conference ICETET 08, India, 16-18 July 2008
- As a Reviewer for International Conference ICETET 09, India, 16-18 December 2009
- As a Reviewer for International Conference ICCSIT 2011, Cheugdu, China.
- As a Reviewer for International Journal of computer engineering Research.
- IEDC sponsored project 2011-12.
- Selected for Motorola Project competition, 2012-13.
- IEDC sponsored project 2012-13.
- 3 patents are filed

Faculty Development:

- 15 days STTP on MATLAB at YCCE, Nagpur. in Oct 2002.
- 7 days corporate training on VLSI by Bitmapper's PUNE.
- 2 days on Matlab (state level) at GHRCE, Nagpur in 2003.
- Workshop on Analysis& Simulation Software, VNIT, Nagpur in 2003

- 2nd International Expo on Smart card Mumbai, India Sept 2000.
- Seminar on 'Labview Software' by National Instruments, Bangalore, Sept 2004
- Training programme on 'Spectrum Analyzer' at GHRCE.
- 2 day Workshop on ORCAD, G.H.R.C.E Nagpur
- 6 days Workshop on MATLAB at GHRCE, Nagpur. in JAN 2006
- 3 days Workshop on 'Blue print for success' by Shiv Khera,Nagpur
- 3 days STC on Embedded Microcontroller and RTOS in GHRCE, 3-5th July 2006.

Conf. /Seminars

- IEEE State level Conference on e on Communication Systems at Alandi in March 2003
- 'Design of Cellular Network using Neural Network' Symposium at April 25-27, 2003.
- 5 days "Systems, Man, and Cybernetics (SMC), 2013 IEEE International Conference on 13-16th Oct.,2013, Manchester, UK.
- 2 days "PhD Track" for the 'International Workshop on Human-Machine Systems, Cyborgs and Enhancing Devices' on 12th Oct.,2013, Manchester, UK.

Mechanical Engineering

09. Dr. S. B. Jaju

- **Qualification:** M.Tech, Ph.D, MBA
- **Area of Specialization /Research:** Industrial Engg., Quality cost, CNC & Robotics, Modeling & Simulation
- **Total Experience:** 20 Years
- **Number of Publications**
 - Journal (National & International): 50
 - Conferences (National & International): 34
 - Book Chapter: 04
- **Awards:** Best Teacher Award by GHRCE, Best case study Award by IIIIE and 03 Best Paper Award by IEI
- **Ph.D students registered:** 01
- **Ph.D Awarded:** 01
- **M.Tech/ ME Project guided:** 20
- **Reviewer For International journal / conference:** Rapportire in ICQMP-06, Reviewer in series of ICETET, Member of Editorial Board, IJETET & IJESM, Reviewer-IJESM, IJSSCA, IJSOM, IJPQM, IJISE, IJBPSM, Inderscience Publisher, UK
- **Session chaired for International Conferences:** Session chair-ICETET, ICITAC, NCAME, Keynote speaker-ICIRSGM
- **Patents (filed):**
 - Sagar Vilasrao Ganorkar, Dr. Santosh B. Jaju, “**Development of gripping mechanism for a prosthetic hand**” 550/MUM/2013, National, filed, Date: 26/02/2013.
 - Saikrupa Adenkiwar, Shailesh Alone, Tejas Pitale, Rachit Mazumdar, Dr. Santosh Jaju, “**Design, Development and Fabrication of Light-weight and Long-Range Pesticide Sprayer**” 2669/MUM/2013, National, Filed, Date: 14/08/2013
 - Harshal Tulshiram Khamankar, Dr. Santosh B. Jaju, “A clamping system of a wear plate welding machine”, 4037/MUM/2014, Filed, Date: 16/12/2014
- **Sponsored Projects:**

Dr. Santosh Jaju, Dr. D. J. Tidke "**Optimum Design of Robot using Workspace Simulation Technique**",Rs. 8.40 Lacs, 20/AICTE/RIFD/RPS(POLICY-III)52/2012-13 dated 13 Feb 2013, **AICTE-RPS, New Delhi, Govt. of India.**

10. Dr. Pramod V. Walke

Professor & Head (Mechanical Engg.)

- **Qualification:** M.Tech. (Heat Power Engineering), Ph.D.
- **Area of Specialization /Research:** Internal combustion engine, Renewable Energy Sources
- **Research Scholar Enrolled (Ph .D):** 04 Nos.
- **Total Experiences:** 22 Yrs.
- **Publications:-** 44 Nos..
- **International journal: -** 33 Nos.
- **International Conference: -** 07 Nos.
- **National Conference :-** 04 Nos.
- **M.Tech / ME Project guided: 21**
Ongoing Ph.D Projects (04 Nos.)

Sr. No.	Name of Candidate	Topic of Research
01	Mr Kishor Rambhad	An Experimental Investigation in Application of Concentric Solar Collector in Solid Desiccant Dehumidification
02	Mr. Rajesh Ganvir	Performance investigation and thermal analysis of compact heat exchanger using Nano Fluids
03	Mr. V.P.Kalbande	Performance improvement of thermal storage system using solar collector for domestic applications

Patent

- Patent filed: Title of project: - Photovoltaic cell with concentrating collector.(File no.2666/MUM/2013)
- Patent filed: -Manually Operated Sprayer cum Herbicide Applicator. (1334/MUM/2014/DATED 11/04/2014)

11 Dr. Vinod N. Bhaiswar

- **Qualification:** M. Tech. (Mechanisms & Machine Design), Ph.D.
- **Experience:** 25Years
- **Area of Specialization:** Mechanisms & Machine Design
- **Research Scholar Enrolled (Ph .D):** 01 No.
- **Number of Publications: 25**
International Journal: 12
International Conference: 09
National Conference: 06
- **Membership of Professional Societies: 03**
Life Member, Indian Society for Technical Education, New Delhi.
Life Member, Indian Society of Heating, Refrigerating & Air Conditioning Engineers.
Life Member, Indian Society of Biomechanics
- **Projects guided at PG Level : 16**
- **Projects guided at UG Level : 20**
- **Short-term training courses attended: 04**
- **Patent filed: 01**

Title of project: Reverse Tricycle with Steering Mounted Controls and Reclining Seat. Patent application No. 2436/MUM/2015
- **Principal Investigator of 2 AICTE funded projects under Research Promotion Schemes (RPS)**
- **Project Title:** Prediction of Mechanical Behavior of Materials Subjected to Fatigue Load.
- **Project Title:** Design & Fabrication of Spherical Joint Lobe Coupling
- **Any other information:**
- Involvement in Sponsored Research Project titled “Vibration Based Condition Monitoring of Drag Line” of WCL, Nagpur from 2002 to 2008.
- Involvement in Consultancy Assignments on “Design and Development of Automatic Plant for Manufacture of Fly-Ash Bricks” of Vasant Chemicals, Hyderabad in the year 2003.

12. Prashant Bharat Nagarnaik

Deputy Director and Dean Academics

Ph.D students Guided/Ph.D Completed

Name of student	Area	Name of Topic
V M Mohitkar (Awarded 2006)	Interdisciplinary	Development of Quality Assurance Mechanism for Engineering Education System.
D K Parbat (Awarded 2007)	Traffic Engg.	Assessment and Modeling of Noise Levels due to Traffic Flow.
P V Durge (Awarded 2008)	Environmental Engineering	Study and Design of New Concept in Tapered Flocculation
P D Jadhav (Awarded 2009)	Geotechnical Engineering	Behavior of Cement Stabilized Fiber Reinforced Soil Fly ash Mixtures in Road Construction.
P Y Pawade (Awarded 2012)	Structural Engg.	Critical studies on the influence of Silica Fume and Steel Fiber in Enhancing Properties of Concrete
N V Raut (Awarded 2013)	Structural Engg.	Innovative Methods for Retrofitting of Buildings.
R N Nibudey (Awarded 2015)	Structural Engg.	Feasibility Analysis of Use of Waste Plastics in Concrete.
D M Bhonde (Awarded 2015)	Structural Engg.	Feasibility Study and Analysis of the Use of Bamboo Reinforcement in Concrete Structural Members.
Bahuriya (submitted Jan 2016)	Structural Engg.	Feasibility Study of Replacement of Natural Sand by Quarry Dust and Waste Plastic in Concrete.
K.R.Dabhekar (Submitted)	Structural Engg.	Feasibility Study of using GGBS and Steel Fiber in Enchasing the properties of concrete.
B.J.Godbole (Submitted)	Environmental Engineering	Feasibility Study of Removal of Fluoride From Ground Water By Various Solid Waste Adsorbent
Ranjit N. Patil (Submitted)	Environmental Engineering	Feasibility Study of Defluoridation Techniques Using Forest Herbs
Harshal Warade Patil	Environmental Engineering	Feasibility Study on biogas production using animal manure as a co-substrate through pilot scale study
P P Dahale	Geotechnical Engineering	Soil Stabilization Using Lime in Combination with Different Solid Waste Materials
Ranjeet Kirkate	Environmental Engineering	Feasibility Study of De-fluoridation using forest herb.

Ph.D Ongoing:

Mangesh P. Bhorkar	Environmental Science	Study of Modified Tube Settlers in the Process of Water Treatment

Reviewer

- Reviewer for International Journals of WESAS, and International
 - Journal of Environmental Pollution
- Conferences and journals of WESAS working group on energy , environment, ecosystems and sustainable development
- International conference ICETET 08,09. at GHRCE, NAGPUR and ICETET10 at BITS Goa and 11 at Mauritius during Nov 18-20,2011

Awards/Rewards

- Received Second prize for the best paper, "Feasibility Study of Reuse of Backwash Wastewater" in 18th Annual Convention of IWWA at Bangalore, Jan. 1989.
- Received First prize for best paper presented on "Role of NGO's in water supply " at seminar organised by IE(I) ,MS state centre & Nashik local centre at Nashik, Dec.8-9,1995.
- Received Best paper award at International Conference on 'Emerging Trends in Engineering and Technology' ICETET08, Organised by GHRCE, Nagpur and KES Center, Australia on 16-18 July 2008.
- Approved guide for Ph.D. in Civil Engg. at SSGB Amravati University, Amravati and RTM Nagpur University, Nagpur.
- Chairman Board of Studies of Civil Engg., Amravati University, Amravati. 2002-07

Other Achievements

Resource person & evaluator for National Board of Accreditation, New Delhi.

13. Dr. Prashant Y.Pawade

Special area of Interests:- Hydraulics & Water Resources

Reviewer: - 1. American Society of Civil Engineering,

2. Journal of World Applied Science

3. International Journal of Civil Engineering Research & Technology

Consultancy Services offered;-

1. Topographic Survey & Counter mapping using Total Station
2. Technical Consultant for Design of Labyrinth weir/Spillway

Guest Lectures Delivered:-

- 1) Design of Labyrinth weir at Vidarbha irrigation development corporation, Nagpur
- 2)Effect Vertical aspect ratio on Design of Labyrinth weir at irrigation development corporation,
(Sinchan Seva) New Delhi.
- 3) Parameter affecting Design of Labyrinth weir at Nagpur Engineering forum
- 4) Water Management
