

SAAHAS 2K19

About IEEE

IEEE is a premier technical and worlds leading professional institution. IEEE stands for advancement of technology for the benefit of humanity, at the same time bringing members access to the industries most essential technical information networking opportunity and career development tools and many other exclusive benefits. IEEE and its members inspire a global community through its highly cited publications, conferences, technology standards and professional and educational activities.

About IEEE-HKN (Eta Kappa Nu)

Eta Kappa Nu (HKN) or IEEE-HKN is the international honour society of the Institute of Electrical and Electronics Engineers (IEEE). The organization promotes excellence in the profession and in education through an emphasis on scholarship, character, and attitude. Membership is a lifelong designation for individuals who have distinguished themselves as students or as professionals in electrical engineering, computer engineering, computer science and other fields of IEEE interest.

About IRSC (Indian Road Safety Organisation)

Indian Road Safety Campaign, is the road safety initiative of Solve, a trust started by the students and alumni of IIT Delhi to solve the problems plaguing the society on the ground level. IRSC (Solve) is the largest youth led organisation working towards the mission of making Indian Roads Safer, focusing on reducing the number of deaths caused by road accidents across India by half till 2020. We are currently active in 50+ cities with over 1700+ volunteers and have impacted more than 1 crore people in across 10 states in India.

About IGGMCH (Indira Gandhi Government College of Engineering and Hospital)

Indira Gandhi Government Medical College & Hospital (IGGMCH) (also known as Mayo Hospital) established in the year 1968 is located in Nagpur near the Nagpur railway station, run by the Government of Maharashtra. It is one of the two Government Medical Colleges in Nagpur city and one among the top ten Govt. Medical Colleges in Maharashtra. The other Government Medical College in Nagpur city is Government Medical College (Nagpur).

SAAHAS'19

SAAHAS itself signifies "Courage". We are trying to create a social awareness amongst people through our work. We are working to make SAAHAS emerge as "A Step Towards Humanity" to provide a chance to learn the basics of CPR training. The event tries to show people about the different point of view from all the leading domain in the society. Event introduces people with their insight of helping people when they are met with an accident.

Theme: "ARE WE FOLLOWING RULES?"

When it comes to road safety, we know how people are neglecting their own safety by not following certain rules. Our moto of this event "SAAHAS" is to aware people about the importance of road safety. The theme revolves around the reasons which leads to various road hazards and fatalities. The

What we aim at

We just aim to create a change. The efforts we made till now and what we will make going on will be always to boost the young minds to come out of fear and understand the social evils which have

been spread in the society. Road safety is a major concern in India and we aim to reduce by training people about CPR which could save someone's life.

Outcomes

- Conference will provide a ground for the various domains of society to compare and express their view on a common social issue.
- Educating audience about Golden Hour
- Training them about CPR
- Motivating them to help people and take the responsibility of a responsible citizen
- Creating a scenario for audience to learn about their mistake, understand the situation and be precautionous.
